BAYLYMPICS - Family Relays or Teambuilding INCLUDED WITH 100 FOOD ORDERS

Now imagine a nice summer day with the weather being at that perfect temperature, although we would like to order that perfect summer weather but it's just a little beyond our scope of planning, sad I know. While we are imagining that perfect summer day take a look at the green pasture at your local park, still with me? Okay good, you have invited all your employees and their families to join you on this fabulous day.

On this day you have booked the Picnic Planners for the food, drinks, and entertainment, after that amazing BBQ lunch it's time to start all the games as we gather all the teams for the Baylympics. All the cameras and video recorders start to come out for the treat of the day. Now, Eduardo whom will be your Baylympics referee and instructor will line up everyone that is participating and instruct them on the rules and regulations of the following "2020 Baylympics" challenge.

All the participants will be divided into equal teams and given a team name (example: Red Team, Blue Team, The Lions, Tigers, & Bears... oh my!).

The teams will then be directed to one of the many Baylympics style challenges to be played starting with the Baylympics Relay Challenge. Teams will line up and perform a number of crazy & zany relay activities. (Example: *Silly Sack Relay, Fumble Swim Fin Relay, Through the Hoop Chain Relay, Drunk & Sober Sobriety Test, Wacky Ball Roll, Hi Ho Leap Frog, Spill-it-loose-it Water Brocade, Sit-Pop the Balloon & Go, and many more*).

Teams will rotate and proceed to the Volleyball Net to compete in a short game of Volleyball. The teams will then play a short round of Frisbee Golf. If there is a tie the following teams will race over to Tug-a-War to test who is the strongest and willful team and finally end the Games.

Before the scores will be tallied the teams have a last and final chance to get extra points or possibly get bump into a higher position with a Team Cheer, Teams will group together and choreograph a team cheer in less than 10 minutes. Cheers will be judge on Choreography, Style, Enthusiasm, and Group Participation; The Cheer must rhyme with the company name and must include the name of the team.

A short awards ceremony with medals for 1st, 2nd, and 3rd place winners will commence after all challenges are tallied up.
